

The Importance of Sound Doctrine

Paul exhorted Timothy to watch (guard, take heed to) his life and doctrine closely.
How interested are we in pursuing sound doctrine? What is it? Is sound doctrine really necessary, anyway?
Does doctrine have anything to do with the way we live?
Should we check out the things that we are asked to believe?
How do we discern what is sound and what is unsound teaching?
Are there serious dangers in following unsound teachings? What are they?
Should false teachings and false teachers be exposed?
These and many other questions are dealt with in great detail in this study on Sound Doctrine.
Seven major reasons why sound doctrine is indispensable to the Christian are examined in great detail here.
